

Our Peoples Computeracy Organization / Our Purpose - Requirements

Dedicating our time & efforts to facilitate computer literacy or attempt to provide the software, hardware or accessories local students (or adults) in need. These items are intended to assist in the students or adults to complete assigned homework or projects.

Students in need must be enrolled in a St. George SC public school, live in Dorchester County, be between the ages of 10-16, handwrite a letter of request, and have maintained a B average for at least 1 semester OR have 3 teacher reference letters. Adults (ages 17+) please review what you may qualify for below.

All of our supplies are either purchased by our families, donated by local businesses or are purchased by the financial portions of sales we have made through services we provide on our website. We are not gifted with grants, listed as non-profits, or benefit from any source of financial funding - this effort is completely organized & funded by two local families attempting to bring our community together to help our kids & citizens!

- **Software (Shareware or Freeware) CD provided with installment instructions**
*Hand written request letter with mailing address that is within Dorchester Dist4. please specify: Office / Virus Protection / Both

- **Jump Drive with minimum 512mb of memory**
*Hand written request letter providing: mailing address within Dorchester Dist4, Child's name, age & school
*If you are an adult in need, submit your handwritten letter with local mailing address - we will try and fulfill your need as our supplies allow us.

- **Computer Accessories (mouse, keyboard or speakers)**
*Hand written request letter providing: your address within Dorchester Dist4, Child's name, age & school.
*If you are an adult in need, submit your handwritten letter with local mailing address - we will try and fulfill your need as our supplies allow us. (Adults are able to qualify for mouse or keyboard or both)

- **Desktop PC or Monitor or Both**
*Handwritten request letter stating your need and please provide:
Student's age, grade & home address.
Students School
The parent/guardian address & contact information
